AUTOISTS ASKING FOR GOOD ROADS

The following resolution has been prepared by the Automobile Club, which is to be presented to the Board of Supervisors:

Copy of a resolution passed at the meeting of the Automobile Club of Hawaii held Wednesday night, President McCandless of the club being delegated to present the same to the Board of Supervisors.

Resolved, Whereas, we recognize the fact that the subject of roads is one of the most general and most important that can be considered by the community in general and by all associations having a general interest and public good at heart, and

Whereas, it is most important for the general good of our city and county that we have and maintain the best possible roads, and

Whereas, it has been and justly is our pride, comfort and convenience that Honolulu and the adjacent county have been and are blessed with roads and streets much better and more beautiful than the thoroughfares of most communities, and

Whereas, we know that persons visiting these islands and traveling over our roads, have been delighted with their appearance and condition, and that thus we have been able to contribute to the comfort and enjoyment of persons visiting here, and that thus our good name as a city and country, and to make pleasant and profitable the sojourn of tourists and travelers upon this island, and

Whereas, we recognize the fact that money judiciously expended in the creating and maintaining good roads and streets, is the best investment that can be made out of public moneys, and one that yields the largest dividend of permanent good and advantage, and

Whereas, we deem it advisable that the importance of good roads be appreciated by the public generally and presented to the officers charged with the creating and maintaining of the roads and streets, and

Whereas, A new administration charged with these duties has just entered upon this most important trust.

Therefore, We will, individually and collectively, do all in our power to forward the cause of good roads, and will unite with all other associations and organizations having in view the public good in forwarding any movement for the bettering and the maintaining of roads or streets, and that we hold ourselves out as ever ready to unite with all improvement clubs and associations in the fullest co-operation in any work, influence and enterprise to be entered upon for the securing and maintaining of the best possible streets and roads upon these islands, and that we will most heartily maintain, sustain, obey and assist our county officers in their efforts and ordinances put forth and made, on the subject of good roads, and relating to the use of good roads and the enjoyment of the same.

WALK IS O.K. ETE

The question of having a mile walk in the list of events for the championships of Hawaii, is an interesting one. It has been brought up through only one source. That is one of the clubs which believes that it can win the event and thus gain in points for the cup.

As a matter of fact, if there is such a thing as a mile walk it will mean returning to medieval sport, and one may easily expect to see a tourney with men in armor and armed with lances and swords, as one of the other events. The mile walk has for the last many years been considered as obsolete and has had no place in championship games. There are several reasons for this, the most important being the fact that it consumes a great deal of time and is extremely uninteresting to the spectators. Another reason is that in spite of the attempts of the judges to be absolutely fair, there will be protests made and criticism called forth.

In the Amateur Athletic Union championship there has been no mile walk since 1898. The three-mile walk was dropped in 1897 and the seven-mile walk dropped in 1885.

The members of the committee handling the games and who will decide on the events should bear this in mind and the wishes of any club which is simply trying to gain points for itself

PROGRAM FOR LADIES' NIGHT

The Hawaiian Swimming Club arranged their program Wednesday evening for the ladies night that they are to give on the 26th day of this month at the Hotel Hale.

A very interesting card will be presented and some new features in the line of swimming will be shown. The club will have the services of two little girls not over the age of 12 who will swim races and do some fancy diving. These girls are wonders and those who have the pleasure of witnessing their exhibition will see something to remember.

There will be fancy swimming and diving and a handicap race.

One of the members of the club has agreed to swim two lengths of the tank with both hands and feet bound. This is a wonderful feat and in itself alone should attract much interest.

The complete program is as follows:

1. Diving and swimming by girls.
2. Fancy swimming.
3. Photo contest.
4. Race under water, 25 yards.
5. Fancy diving.
6. Swimming with hands and feet bound.
7. Handicap race.
8. Follow the leader.

SEN. KALAMA'S MOTHER DIES AFTER LONG ILLNESS

(Special to The Bulletin)

Wailuku, Maui, Jan. 17.—Mrs. Sarah Kalama, mother of Senator S. E. Kalama, died at her home at Makawao last Wednesday evening at 10:30 o'clock. Mrs. Kalama had been in very bad health for some time, and returned to Maui from Honolulu several months ago, believing that a change of climate would benefit her. She leaves an only son, and a brother, Mr. Naukana, of Honolulu, besides a host of nieces and nephews, to mourn their loss. The first husband of the deceased was Enoka Kalama, a Punahou boy, who taught an English school during the seventies at the old Kaimakapili church. Kalama was Senator Kalama's father. After Kalama's death, deceased married again to John Kalama, a well-to-do Hawaiian attorney of Makawao. Mrs. Kalama's funeral took place from the family residence yesterday afternoon and was very largely attended by the host of friends, relatives and acquaintances of deceased in the Makawao district.
